NOTIFICATIONS BY GOVERNMENT

CHIEF SECRETARIAT

Dated 21st August 1946.

No. W. 166. The following Press Communique dated the 4th July 1946, issued by the Government of India, Commerce Department, is republished for general information.

1417 V. VEDAVYASACHARYA *Chief Secy.*

Press Communique.

Before War United Nations' Subjects to have Redress.

It has come to light that before the declaration of war against Italy, certain nationals of the United Nations deliberately effected fictitious transfer of their properties in Italy to Italian subjects with a view to avoid the application of Italian War Legislation against such properties. To help these persons to regain their properties, the Italian Government have enacted a decree conferring certain privileges on the United Nations subjects in this matter. According to this decree, nationals of the United Nations who sold their property fictitiously, will be able to re-acquire it without paying any of the existing statal or other taxes for the transfer of real or moveable property, provided that:—

(a) They will not be able to claim any refund for taxes already paid for the original transfer.

(b) They will not be entitled to claim compensation for damages on grounds that the property never in fact ceased to be Allied owned.

(c) The small personal fees which notaries are entitled for conveyancing will still be payable.

(d) In case the fictitious purchaser turns out to be of bad faith and refuses to restore the property, the Italian Courts will have sole jurisdiction to decide whether the sale was *bona fide* or not, and whether the original Allied owner should be re-intregrated in his rights or not.

As this decree will cease to have effect after December 31st 1946, those who wish to take advantage of it are advised to seek expeditiously Italian legal assistance for securing restoration of property which they had fictitiously transferred to Italian subjects.
